### WHO WE ARE?

KAZCIOGLU brand, which started its commercial life in Simav district of Kütahya in 1960, currently operates with a total of 160 qualified personnel in 4,000 square meters built-up area.

PROMOTIONAL

### ABOUT US

İSMET KAZCIOGLU AUTOMOTIVE or with its corporate identity KAZCIOGLU INDUSTRIAL SOLUTIONS brand, has a product scale that directly addresses the main industrial production of many sectors with its high quality production strategy.

In addition to the automotive sector, tractor and construction equipment sectors; manufactures pressure pipe and hose assemblies, machining parts, steering parts, cold formation forging products with the latest technology.

Our company is awarded with IATF 16949: 2016 and TS EN ISO 9001: 2015 certificates.

KAZCIOGLU INDUSTRIAL produces their products in its factories consisting of Machining, Pipe Bending, Assembly, Welding, Coating, Quality, Mold and R&D departments and introduce them to more than 20 countries in the world market outside Turkey.

www.kzctr.com

## MACHINING

Machining Unit; consists of CNC Lathes, CNC Machining Center, Universal Lathes and Milling.

This section, which has a capacity of 1300\*600 mm machining center turning capacity up to Ø240 mm, processes steel, stainless steel, aluminum, brass, copper and special alloy materials with precise tolerances.

### PIPE ASSEMBLY LINE

İSMET KAZCIOGLU AUTOMOTIVE has the ability to bend steel, aluminum, copper, brass, stainless and bundy pipes from Ø4 mm to Ø38 mm. At the same time, countersink, camber, diameter reduction and diameter enlargement operations can be performed on pipe ends from Ø4 mm to Ø38 mm.

PROMOTIONA CATALOG

### HOSE ASSEMBLY LINE

In the hose line, in addition to high and low pressure hose assemblies in automotive, tractor and construction equipment industries, shaped Polyamide hose assemblies are also produced.

PROMOTIONA CATALOG

## WELDING

The welding section has the possibilities of oxy acetylene welding (MIGMAG), TIG welding, induction welding, electric arc welding.

OTOMOTIV SANAYI VE CARET LIMITED SIRKETI

KAZCIOGLU INDUSTRIAL which has the highest capacity of cold forming plant in Turkey, produce its products for the industry's most powerful brands.

### STEERING SYSTEMS

ISMET KAZCIOGLU AUTOMOTIVE manufactures Tie Rod Assembly, Axial Joint and Tie Rod End for agricultural and heavy duty equipment and presents them to the world market under the FABBRO brand.

PROMOTIONAL CATALOG

### PROJECT

Our project team consists of experts in every branch of production and quickly responds to sample and prototype requests from customers.

At the same time, this unit has the competence to design and develop products together with the customer, thanks to its experience.

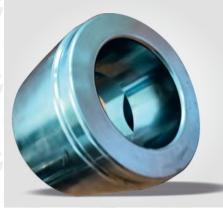

PROMOTIONAL CATALOG

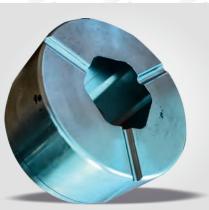

### R&D

In the R&D department, machine molds and apparatus used in the production of cold forging and pipe-hose assemblies are produced.

All of the molds and apparatus used in production are produced by us.

PROMOTIONAL

### LABORATORY

Our laboratory has a modern and state-of-the-art contour profile scanning measuring device, 3D Faro laser measuring arm, 2D digital height gauge, digital hardness measuring device, surface roughness measuring device, profile projection device, bakelite removal device, polishing and sawing device, more than 400 types of gauges and controls. It has the ability to make precise and controlled measurements with its equipment.

### STORAGE & LOGISTIC

In the storage and logistics department, products are packaged according to customer demands and shipped on time. In addition, in line with the wishes of our customers, we have raw materials, semi-finished products and stock areas under appropriate storage conditions in our storage area.

## CERTIFICATES

### Certificate of Registration

This certificate has been awarded to

#### İSMET KAZCIOĞLU OTOMOTİV SAN. TİC. LTD. ŞTİ.

Yeni Mevkii Uşak Yolu No:33 Yeşilköy Simav/KÜTAHYA, Turkey

in recognition of the organization's Quality Management System which complies with

#### IATF 16949:2016

The scope of activities covered by this certificate is defined below Machining of Metal Parts (Excludes Product Design under Clause 8.3)

### WOMEN'S EMPLOYMENT

Nowadays, unemployment and employment constitute one of the most important problem areas of societies in terms of their consequences. The solution of this problem is an important issue in terms of social welfare and development. The inclusion of the female workforce affected by the employment problem in working life is an important factor in social development. For this reason, as KAZCIOĞLU INDUSTRIAL, we increase the number of our female employees day by day with the value we place on women.

We will continue to work with all our strength to increase the number of working women and to contribute to the promotion of gender equality.

### SOCIAL ACTIVITIES

İSMET KAZCIOGLU AUTOMOTIVE established ŞEREF KOLEJİ SPORT CLUB in 2014 and continues its sports activities with 60 athletes in 5 different branches.

1000
